BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. LINE OF CREDIT - BANK OF NORTH DAKOTA - APPROPRIATION - STATE HISTORICAL SOCIETY - NORTH DAKOTA MILITARY MUSEUM PROJECT - DEFICIENCY APPROPRIATION REQUEST - ONE-TIME FUNDING - LEGISLATIVE INTENT - REPORT.

1. Subject to the provisions of this section, the state historical society may borrow up to \$20,000,000 through a line of credit from the Bank of North Dakota during the period beginning with the effective date of this Act, and ending June 30, 2027, the proceeds of which are appropriated to the state historical society, for the purpose of the North Dakota military museum project for the period beginning with the effective date of this Act, and ending June 30, 2027. The appropriation in this section is considered a one-time funding item.
2. The interest rate on the line of credit may not exceed the prevailing interest rate charged to North Dakota governmental entities. If the state historical society accesses the line of credit, the state historical society shall repay the line of credit from other funds derived from donations appropriated by the sixty-ninth legislative assembly to the state historical society in House Bill No. 1018. If the amount of donations collected through March 31, 2029, is not sufficient to repay the line of credit and accrued interest, the seventy-first legislative assembly shall consider extending the line of credit or evaluate available funding sources for repayment of the line of credit. The state historical society may not access the line of credit until funding appropriated by the sixty-ninth legislative assembly from the strategic investment and improvements fund in House Bill No. 1018 has been spent.
3. The capital grounds planning commission shall:
 - a. Oversee and have final decisionmaking authority regarding the North Dakota military museum project;
 - b. Collaborate with the state historical society and adjutant general on the project; and
 - c. Use the office of management and budget for construction management of the project.
4. It is the intent of the sixty-ninth legislative assembly that the state of North Dakota provide total state funding of \$39,200,000, which includes funding appropriated from the strategic investment and improvements fund for the repayment of a \$4,200,000 Bank of North Dakota line of credit, the repayment of a \$20,000,000 Bank of North Dakota line of credit, and \$15,000,000 appropriated from the strategic investment and improvements fund, plus any additional funding necessary to pay interest accrued on the \$20,000,000 Bank of North Dakota line of credit, related to the North Dakota military museum project and that any remaining costs associated with the project be paid by nonstate sources derived from donations. It is further the intent of the sixty-ninth legislative assembly that the capitol grounds planning commission and the state historical society prioritize construction that supports

completion of the exterior of the military museum building to avoid any additional costs incurred due to inclement weather and that no work related to galleries and displays in the interior of the military museum building be performed without consent of the capitol grounds planning commission.

5. The state historical society shall report to the budget section on a quarterly basis during the 2027-28 interim information regarding the North Dakota military museum project, including the status of construction, amounts spent by funding source, the amount drawn on all lines of credit authorized for the project, signed pledge commitments, collected cash, proposed gifts being discussed but not yet committed, and the anticipated project completion date.
